

Oakland County Manufacturers: *Open Your Doors to Tomorrow's Workforce!*

Introduce Our Students to Modern Manufacturing

The tenth annual Oakland County Manufacturing Day is poised to be bigger than ever, with high schools across the region already making plans to send students on company tours this fall.

Celebrate with us by opening your doors on Friday, Oct. 4, 2024, from 10:00 a.m. to 1:00 p.m., to provide tomorrow's workforce with an inside look at modern manufacturing.

- Tours for 20-30 students
- Hands-on activities and opportunities to engage with your employees
- Students learn about career paths, skills needed for success and entry-level positions
- Tour hosts provide lunch to students and chaperones

The goal of this event is to encourage students to explore the high-paying, challenging career opportunities available to Oakland County.

Let's make the tenth anniversary of Oakland County Manufacturing Day the best yet, with more tour opportunities and students than ever before!

To register as a tour host, please contact:
Brooklyn Frontiera at frontierab@oakgov.com

“I thought Manufacturing Day was very interesting and interactive. It was a great way to teach us, while keeping us engaged. They let us ask as many questions as we could, which was great.”

Why Oakland County Manufacturing Day is so important?

- Inspires students to consider pursuing a career in modern manufacturing and the skilled trades
- Educates tomorrow's workforce, as well as parents, teachers and counselors, of the many in-demand, high-paying jobs available in Oakland County
- Quells common misperceptions about modern manufacturing

Your Financial Support is Critical

Event Sponsorship - \$1,500 (unlimited number)

Oakland County Manufacturing Day cannot take place without the generous support of our sponsors.

Enjoy valuable sponsorship exposure:

- Company logo on event t-shirts
- Logo on event signage at all tour host locations
- Listing on Oakland County Manufacturing Day website
- Identification in all media relations and social media outreach activities leading up to and on the day of the event

MEET ALEX VAN DEN BREMER

Why do we host Oakland County Manufacturing Day? It's because of students like Alex and tour host Three M Tool & Machine in Commerce, Mich.

Alex studied robotics, engineering and mechatronics in high school. He visited Three M Tool & Machine during Oakland County Manufacturing Day in 2022. Upon graduation, he approached the company about entry-level opportunities. Three M Tool & Machine recognized his willingness to learn and hired him. Today, he is a full-time apprentice and acquiring the skills needed to succeed in advanced manufacturing.
