TECH COLLABORATION SERIES

OAKLAND COUNTY BUSINESSES: Join the Discussion with Higher Education Institutions and Industry Leaders to Find New Ways to Collaborate

EDUCATION-TO-BUSINESS

Edu2B Tech Collaboration Events

Oakland County is hosting a series of events designed to connect business leaders with higher education institutions. The events will include presentations from local colleges or universities and a networking session for decision makers to build deeper ties and foster collaboration within the following industries:

- IT/Computer Services
- Robotics Integration
- Engineering & Design, R+D

VISIT LAWRENCE TECHNOLOGICAL UNIVERSITY (LTU)

One of the Nation's Top-Ranked Engineering & Computer Science Universities

APRIL 16, 2024 | 9:00 - 11:30 AM

College of Business and Information Technology

21000 West Ten Mile Road, Southfield | Building 5 (Room M336)

- Take advantage of this unique opportunity to meet the department heads of LTU's Mechanical, Robotics, and Industrial Engineering department.
- Learn how you can plug into the valuable resources (scientists, testing facilities, labs, programs, projects) from this department.
- Learn about the Centropolis Accelerator and access to funding, experts and key business and product development resources.
- Network with local companies in the tech industry.

BRG Focus
